Property Description

Introducing Sunway Residences, an exquisite new development nestled in the charming coastal town of Estepona, Malaga. This stunning complex offers a selection of property types including Ground Floor Apartments, Apartments, and Penthouses, ensuring a perfect home for everyone. Situated in a closed urbanization, residents can enjoy privacy and tranquillity while benefiting from proximity to essential amenities and transport links.

The development features a total of 48 thoughtfully designed apartments spread across three floors. Each unit is complemented by its own dedicated parking space in the underground garage, with Penthouses enjoying two parking spaces for added convenience. The infrastructure also includes a substantial 48 storage rooms, providing ample space for personal belongings. The communal areas are a highlight of the complex, featuring an inviting outdoor pool, a well-appointed recreation area, and beautifully landscaped gardens, perfect for relaxation and leisure.

Architect Pablo Villarroel has expertly crafted the architectural design of Sunway Residences, ensuring that each aspect of the project reflects modern living standards while maintaining aesthetic appeal. The development prioritises residents' comfort and lifestyle, making it an ideal choice for those seeking a serene environment without sacrificing accessibility to local amenities.

In summary, Sunway Residences presents a unique opportunity to reside in a meticulously designed urbanisation that combines luxury and practicality. With its impressive array of features such as private gardens and a communal pool, along with the assurance of professional oversight in its construction, this development is poised to become one of Estepona's most sought-after addresses.
