Property Description

Welcome to this stunning residence in the Oasis Club, one of the most prestigious beachfront communities on Marbella's Golden Mile. Recently renovated with design details inspired by the Marbella Club, the villa combines timeless Mediterranean style with the comfort of modern living.

The main level is bright and inviting, featuring an open-concept living room, dining area, and contemporary social kitchen. Expansive sliding doors blur the line between indoor and outdoor living, opening to a private garden retreat with a heated pool, summer kitchen, and elegant lounge and dining areas—perfect for relaxing or entertaining just steps from the sea. A guest suite with en suite bathroom and a guest toilet complete this floor.

Upstairs, two additional bedroom suites capture sweeping sea views. The principal suite offers a calm Mediterranean ambiance with its luxurious bathroom and custom walk-in wardrobe. The second suite enjoys direct access to a large terrace with its own lounge and wet bar—an ideal setting for sundowners overlooking the coastline.

From the community, you have direct access to the beach promenade, making it effortless to stroll to Puente Romano, Marbella Club, or even Puerto Banús. Michelin-starred dining, iconic beach clubs, and exclusive amenities are all just minutes away.
