

Villa for sale in Fuengirola, Costa del Sol

5 Bedrooms | 5 Bathrooms | 673 m² Interior |

Property Description

This exceptional villa is a masterpiece of modern luxury, seamlessly integrating innovative technology, sustainable systems, and refined design to redefine contemporary living. Its striking architecture and flawless craftsmanship set a new standard for elegance, while the modern open-concept kitchen flows effortlessly into the living spaces, balancing style with practicality. Designed for both everyday convenience and sophisticated entertaining, the kitchen features premium worktops in resin, porcelain, or natural stone, paired with sleek cabinetry and a thoughtful layout that enhances both aesthetics and functionality. The villa's outdoor spaces are equally impressive, mirroring the interior's sophistication. A meticulously landscaped garden surrounds a spectacular saltwater swimming pool with in-pool ledge loungers for ultimate relaxation, complemented by a stylish fire pit perfect for evenings under the stars. Prioritizing wellness and tranquility, the property also boasts a luxurious jacuzzi, a sauna, a state-of-the-art gym, a Turkish bath, and an indulgent spa, creating a private sanctuary of comfort. Located in the prestigious El Higuero area, the villa offers exceptional connectivity—just 15 minutes from Málaga Airport and with easy access to Marbella, Benalmádena, and charming inland villages. The region's abundance of outdoor activities, from hiking and cycling trails to water sports and prestigious golf courses, combined with its proximity to sandy beaches, chic beach clubs, and Fuengirola's vibrant town center, makes it the perfect setting for an upscale Mediterranean lifestyle. Every element of this villa has been meticulously designed to create an oasis of sophistication, comfort, and unparalleled luxury.
